Placencia is located in Southern Belize on a peninsula with white sandy beaches. It is a paradise. The drive to Placencia takes you through the very scenic and breath taking Mayan Mountains. You will encounter the amazing sleeping Giant (a Mountain Range) and experience the famous Reverse Polarity field, an unknown phenomena in the mountains. If you love white sandy beaches, swimming, snorkeling, diving and fishing, then you will definitely fall in love with Placencia.

Things to do:

- ❖ *Placencia Village* - Creole fishing village with swimming beaches, bars, restaurants.
- ❖ *Scuba* - Experience the walls and canyons found in 60-80 feet of water.
- ❖ *Kayak* - Placencia Lagoon or nearby Placencia Caye and beyond.
- ❖ *Biking* - Experience the peninsula and nearby communities between Maya Beach and Placencia.
- ❖ *Birding* - On the peninsula, where over 54 species have been recorded.
